B. Providers

B1. Key terms

This section explains key terms in our Provider and Pharmacy Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
 - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical and behavioral health services, medical equipment, and LTSS.
 - Providers that are part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care (PCP)** is a licensed primary care physician, nurse practitioner, physician assistant, or a women's health specialist who gives you routine healthcare. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **prior authorization** for a specialist or someone that is not your PCP. A **prior authorization** is different than a referral. It means that **CCA One Care** (not your network PCP) must give you approval **before** we will cover a specific service, item, or drug or an out-of-network

If you have questions, please call CCA One Care at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. The call is free. **For more information**, visit ccama.org.

provider. If you don't get prior authorization, CCA One Care may not cover the service, item, or drug.

- Prior authorization is **not** needed for:
 - emergency care.
 - urgently needed care.
 - kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area.
 - services from a women's health specialist.
 - preventive services.
- More information on prior authorization is available in Chapter 3 of the **Member Handbook**.
- Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
- You will also be assigned a **Care Team**. Your **care team** is a group of people that will get to know your needs and work with you to help you create and carry out a care plan. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

Members of your care team may include:

- A **care partner** that helps you manage your medical providers and services. Your care partner works with you, the health plan, and your care team to make sure you get the care you need.
- Your **Primary Care Provider**.
- A **Long-term Supports (LTS) Coordinator** to help you find and access support services available to you in the community. Both the Care

Coordinator and LTS Coordinator can work as a part of your Care Team to make sure you get the care you need

Your care team or Member Services will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other healthcare provider. That way, you will get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention;
- within 30 days for routine and preventative care.

B3. Primary Care Provider (PCP)

You can choose any PCP in our network who is accepting new members. First, you will need to choose a primary care provider (PCP). To choose a PCP, refer to the list of providers on page 9 and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- When you first enroll in CCA One Care, you can keep using your current PCP and your other providers for 90 days, or until you and your Care Team complete a comprehensive assessment of your needs and goals and develop your Individualized Care Plan (ICP). This is called the Continuity of Care (COC) period. After that, if you do not choose a PCP in our network, CCA One Care will choose one for you.
- If you want help in choosing a PCP, please call Member Services at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. The call is free. Or visit ccama.org.
- If you have questions about whether any service or care that you want or need is covered, talk to your care team or call Member Services at 866-610-2273 (TTY 711) and ask **before** you get the service or care.

If you have questions, please call CCA One Care at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. The call is free. **For more information**, visit ccama.org.

B4. Long-term services and supports (LTSS)

As a CCA One Care member, you will be able to get Long-term Services and Supports (LTSS) if you need them, such as personal care, homemaking, companion, day programs, adult foster care, and transportation, amongst others. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your care partner or geriatric support services coordinator can help you and your care team determine what options are available to support you in the way you want.

B5. How to identify providers in the CCA One Care network

You must get all of your covered services from providers within our network. If you use providers who are not in CCA One Care network (without PA or approval from us), you will have to pay the bill.

A **Prior Authorization (PA)** is an approval from CCA One Care **before** you can get a specific service, drug, or out-of-network provider. CCA One Care may not cover the service or drug if you don't get approval.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also use providers outside the plan for other non-emergency services if CCA One Care gives you permission first. Also, when you first enroll in CCA One Care, you can keep using your current providers for 90 days, or until you and your Care Team complete a comprehensive assessment of your needs and goals and develop your Individualized Care Plan (ICP). This is called the Continuity of Care (COC) period.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You may change your PCP for any reason. Also, it's possible that your PCP might leave our plan's network. In that case, you would have to find a new PCP.
- CCA One Care works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide. If you need a provider and are not sure if

they offer the accommodations you need, CCA One Care can help you. Talk to your care team for assistance.

B6. How to find CCA One Care providers in your area

You can find providers in your area by looking up your county, city, or town in the list of the type of providers you are looking for. You can find a provider by type by looking in the Table of Contents that is listed in the next section. You may also find a provider alphabetically by name by looking in the Index at the end of the directory. If you need assistance finding a provider, call Member Services at 866-610-2273 (TTY 711).

B7. List of network providers

This Directory of CCA One Care network providers contains.

- **Healthcare professionals** including primary care providers, specialists, behavioral health providers, dental service providers, and vision service providers.
- **Facilities** including hospitals, nursing facilities, and behavioral health facilities.
- **Support providers** including long-term services and supports (LTSS) (for example, adult day health) and community support services (for example, peer supports).

Providers are listed in alphabetical order by last name. You can also find the provider's name and the page where the provider's additional contact information is in the Index at the end of the Directory. Providers are also listed in alphabetical order by last name in the Index. In addition to contact information, provider listings also include specialties and skills, for example, such as languages spoken or completion of cultural competence training.

Cultural competence training is additional instruction for our healthcare providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

D. List of network pharmacies

This part of the Directory provides a list of pharmacies in the CCA One Care network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

CCA One Care is happy to help you find a network pharmacy that meets your needs. For instance, we can help you find pharmacies that:

- are accessible by public transit
- have pharmacists that speak your language
- offer specific accommodations

We also list pharmacies that are in our network but are outside **Middlesex County** in which you live. You may also fill your prescriptions at these pharmacies. Please contact CCA One Care for additional information at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week.

CCA One Care members must use network pharmacies to get prescription drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the CCA One Care **Member Handbook** for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about CCA One Care network pharmacies in your area, please visit our website at ccama.org or call Member Services at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the **Member Handbook** and CCA One Care **List of Covered Drugs**. For the most up-to-date **List of Covered Drugs**, please visit our website at ccama.org or call Member Services at 866-610-2273 (TTY 711).

Mail-order pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program. We partner with Costco Mail Order Pharmacy (Costco Pharmacy) to provide this service. To use our preferred mail order pharmacy, call 800-607-6861 (**TTY 711**), 8:00 am to 10:00 pm Monday to Friday, and 12:30 pm to 5:00 pm Saturday. Or visit pharmacy.costco.com.

CCA covers the cost of the mail order service. A credit card is required for processing by Costco, but it will not be charged for this service.

Typically, you should expect to get your prescription drugs within 10-14 days from the time that the mail-order pharmacy gets the order. If you do not receive your prescription drug(s) within this time, please contact us at 866-610-2273 (**TTY 711**).

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, Costco Pharmacy will start to process your next refill automatically when their records show that you should be close to running out of your drug. Costco Pharmacy will contact you prior to shipping each refill to make sure you need more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact Costco Pharmacy 14-21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact Costco Pharmacy by calling 1-800-607-6861. You can also opt out of automatic refills on their website pharmacy.costco.com by managing your 'Refill Prescription' status.

It is important that you respond each time you are contacted by Costco Pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping. If new prescriptions are not received from your healthcare provider, all in-network pharmacies must obtain your consent before shipping or delivering any prescriptions you do not personally initiate. To opt out of automatic deliveries of new prescriptions received directly from your healthcare provider, please contact Costco Pharmacy. You can also call Member Services for additional assistance.
