## B. Background Information about the CCA Senior Care Options Network Providers

### B1. Key terms

This section explains key terms in our Provider and Pharmacy Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
  - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical and behavioral health services, medical equipment, and LTSS.
  - Providers that are part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care (PCP)** is a licensed primary care physician, nurse practitioner, physician assistant, or a women's health specialist who gives you routine healthcare. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **prior authorization** for a specialist or someone that is not your PCP. A **prior authorization** is different than a referral. It means that **CCA Senior Care Options** (not your network PCP) must give you

If you have questions, please call CCA Senior Care Options at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. The call is free. For more information, visit [ccama.org](http://ccama.org).

approval **before** we will cover a specific service, item, or drug or an out-of-network provider. If you don't get prior authorization, CCA Senior Care Options may not cover the service, item, or drug.

- Prior authorization is **not** needed for:
  - emergency care.
  - urgently needed care.
  - kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area.
  - services from a women's health specialist.
  - preventive services.
- More information on prior authorization is available in Chapter 3 of the **Evidence of Coverage**.
- Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
- You will also be assigned a **Care Team**. Your **care team** is a group of people that will get to know your needs and work with you to help you create and carry out a care plan. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

Members of your care team may include:

- A **care partner** that helps you manage your medical providers and services. Your care partner works with you, the health plan, and your care team to make sure you get the care you need.
- Your **Primary Care Provider (PCP)**.
- **Geriatric Support Services Coordinator (GSSC)** to help you find and access support services available to you in the community. The GSSC

is based out of your local Aging Services Access Point (ASAP). The ASAPs are listed on pages of this Directory. (Both the care partner and GSSC may work as a part of your care team to make sure you get the care you need.)

- **Others if necessary**

Your care team or Member Services will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other healthcare provider. That way, you will get the right provider to help you with your concerns.

## **B2. Wait times for primary care and behavioral health**

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention;
- within 30 days for routine and preventative care.

## **B3. How to choose a Primary Care Provider (PCP)**

First, you will need to choose a primary care provider (PCP). You can choose any PCP in our network who is accepting new members. You can choose any PCP in our network who is accepting new members.

To choose a PCP, refer to the list of providers on page 9 and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you do not choose a PCP in our network, CCA Senior Care Options will choose one for you.
- If you want help in choosing a PCP, please call Member Services at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. The call is free. Or visit [ccama.org](http://ccama.org).

**If you have questions**, please call CCA Senior Care Options at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. The call is free. **For more information**, visit [ccama.org](http://ccama.org).

- If you have questions about whether any service or care that you want or need is covered, talk to your care team or call Member Services at 866-610-2273 (TTY 711) and ask **before** you get the service or care.

#### **B4. Long-term Services and Supports (LTSS) providers**

As a CCA Senior Care Options member, you will be able to get Long-term Services and Supports (LTSS) if you need them, such as personal care, homemaking, companion, day programs, adult foster care, and transportation, amongst others. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your care partner or geriatric support services coordinator can help you and your care team determine what options are available to support you in the way you want.

#### **B5. How to access the CCA Senior Care Options network providers**

You must get all of your covered services from providers within our network. If you use providers who are not in the CCA Senior Care Options network (**without prior authorization**), you may have to pay the bill.

A **prior authorization (PA)** is an approval from CCA Senior Care Options to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also use providers outside the plan for other non-emergency services if CCA Senior Care Options gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You may change your PCP for any reason. Also, it's possible that your PCP might leave our plan's network. In that case, you would have to find a new PCP.
- CCA Senior Care Options works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.

- If you need a provider and are not sure if they offer the accommodations you need, CCA Senior Care Options can help you. Talk to your care team for assistance.

## **Mail Order Pharmacies**

You can get prescription drugs shipped to your home through our network mail order delivery program. We partner with Costco Mail Order Pharmacy (Costco Pharmacy) to provide this service. To use our preferred mail order pharmacy, call 800-607-6861 (TTY 711), 8:00 am to 10:00 pm Monday to Friday, and 12:30 pm to 5:00 pm Saturday. Or visit [pharmacy.costco.com](http://pharmacy.costco.com).

CCA covers the cost of the mail order service. A credit card is required for processing by Costco Pharmacy, but it will not be charged for this service.

Typically, you should expect to get your prescription drugs within 10-14 days from the time that Costco Pharmacy gets the order. If you do not receive your prescription drug(s) within this time, please contact us at 866-610-2273 (TTY 711).

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, Costco Pharmacy will start to process your next refill automatically when their records show that you should be close to running out of your drug. Costco Pharmacy will contact you prior to shipping each refill to make sure you need more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact Costco Pharmacy 14-21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact Costco Pharmacy by calling 1-800-607-6861. You can also disenroll on their website [pharmacy.costco.com](http://pharmacy.costco.com) by managing your 'Refill Prescription' status.

It is important that you respond each time you are contacted by Costco Pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping. If new prescriptions are not received from your healthcare provider, all in-network pharmacies must obtain your consent before shipping or delivering any prescriptions you do not personally initiate. To opt out of automatic deliveries of new prescriptions received directly from your healthcare provider, please contact Costco Pharmacy. You can also call Member Services for additional assistance.
