Section 1 – Introduction

This directory provides a list of CCA Medicare Excel network providers.

You will have to choose one of our network providers listed in this directory to be your **Prietary Care Provider (PCP)**. Generally, you must get your healthcare services from your PCP.

CCA Medicare Excel members are required to have a PCP from our network. The PCP that you select may be a licensed primary care physician, a nurse practitioner, a physician assistant, or a women's health specialist. During the enrollment process, we will work with you to select a PCP. Our plan contracts with PCPs who know your community and who have developed working relationships with specialists, hospitals, community-based providers, and skilled nursing facilities.

Your PCP is responsible for coordinating all your medical care. "Coordinating" your services includes checking with you and your providers about your care and how it is going. Prior authorization (approval in advance) is required for certain services. Your PCP arranges for these services when needed.

The network providers listed in this directory have agreed to provide you with your healthcare, vision, and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral. To find out which services may require a referral, please call our Member Services department. In most situations your PCP must give you approval in advance before you can use other providers in the plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. This is called giving you a "referral". Other providers are available in our network.

Our plan will cover services from either network or out-of-network providers, as long as the services are covered benefits and are medically necessary. When you receive care from a provider who is not part of our network, you are only responsible for paying your share of the cost, not for the entire cost. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher. It is best to ask an out-of-network provider to bill us first. But, if you have already paid for the covered services, we will reimburse you for our share of the cost for covered services. Or if an out-of-network provider sends you a bill that you think we should pay, you can send it to us for payment.

You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor CCA Medicare Excel will be responsible for the costs.

Our plan covers worldwide emergency care, urgently needed services, and emergency transportation. When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed services that you get from any provider at the lower in-network cost-sharing amount.

CCA Medicare Excel (HMO)

2023 Pharmacy Directory

This pharmacy directory was updated on **9/22/2023**. For more recent information or other questions, please contact us at 866-333-3530 (TTY 711), 8 am to 8 pm, 7 days a week, from October 1 to March 31. (April 1 to September 30: 8 am to 8 pm, Monday to Friday.), or visit www.ccahealthca.org.

Changes to our pharmacy network may occur during the benefit year. An updated Provider and Pharmacy Directory is located on our website at www.ccahealthca.org. You may also call Member Services at 866-333-3530 (TTY 711) for updated information.

Introduction

This booklet provides a list of CCA Medicare Excel network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the CCA Medicare Excel formulary (List of Covered Drugs).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under CCA Medicare Excel only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **September 22, 2023**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for **California** including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at 866-333-3530 (TTY 711).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

The pharmacies listed in this directory are separated by type: Home Infusion, Long-Term Care, Mail Order, Specialty, and Retail and Chain Pharmacies. All pharmacies in each section are listed by city/town and then in alphabetical order.

Mail Order Pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program. We partner with MedImpact Mail Order Service (Birdi Pharmacy) to provide this service. To use our preferred mail order pharmacy, call 855-873-8739 (TTY 711), 8:00 am to 8:00 pm Monday to Friday, and 9:00 am to 5:00 pm Saturday. Or visit MedImpact.com.

CCA covers the cost of the mail order service. A payment method maybe required for processing by Birdi Pharmacy, but it will not be charged for this service.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, Birdi Pharmacy will start to process your next refill automatically when their records show that you should be close to running out of your drug. Birdi Pharmacy will contact you prior to shipping each refill to make sure you need more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact Birdi Pharmacy 14-21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact Birdi Pharmacy by calling 855-873-8739. You can also opt out of automatic refills on their website MedImpact.com by managing your 'Refill Prescription' status.

It is important that you respond each time you are contacted by Birdi Pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping. If new prescriptions are not received from your healthcare provider, all in-network pharmacies must obtain your consent before shipping or delivering any prescriptions you do not personally initiate. To opt out of automatic deliveries of new prescriptions received directly from your healthcare provider, please contact Birdi Pharmacy. You can also call Member Services for additional assistance.

Typically, you should expect to get your prescription drugs within 7-10 days from the time that the mail-order pharmacy gets the order. If you do not receive your prescription drug(s) within this time, please contact us at 866-333-3530 (TTY 711).
